

Coming from Rheinfelden, Lörrach, Switzerland or France:

Take the motorway exit "Rheinfelden Mitte", keep going in the direction of Bad Säckingen, over three roundabouts, past the MacDonald's. After the third roundabout take the first possible street, at the timber merchants "Traub", turn left into Kapfbühlstrasse and drive up the hill. At the T-junction, by the church, turn right into Karsauer Strasse. Then take the first possible right turning after the school into Haldenweg and then simply follow the blue dentists' signs until you arrive at Steigweg 12.

Coming from Bad Säckingen:

Always stick to the B34, direction Lörrach-Rheinfelden, disregard Riedmatt on your right, take the first possible right turning after Hotel Storchen into Karsauer Strasse. Then drive up the steep hill, tuned left before the school into Haldenweg and then simply follow the blue dentists' signs until you arrive at Steigweg 12.

From the Railway Station Beuggen a staircase directly opposite the station and the B34 leads you directly to our practice.

Parking facilities are available directly in front of our practice.
